Dear Mr. Phillippe:

As I mentioned on the phone when we spoke earlier this month the recoveries on the terrorism cases have not materialized as quickly as I had hoped, but things are continuing to go forward and should, if all goes as we expect, start to come in during 2014. Meanwhile, my current practice is starting to generate modest income which, hopefully, will increase as I go along.

While I had hoped that some monies from the terrorism cases would have gone to Moses & Singer by now, I want you to know that I am mindful of my debt and plan to make payments as income comes in until my obligations are satisfied.

With that in mind, I enclose a check in the sum of \$10,000 to be applied to principal on the outstanding note.

Very truly yours,

Stephen Norman Weiss
